# Part G – Disciplinary sanctions

## G.1 – Disciplinary sanctions

In case of violation of the current rules disciplinary sanctions may be put on the organizing club (starting from verbal reprimand to temporary suspension of membership or expulsion of the club or the judge from the WCF).
The punishment will be authorized by the board of the WCF, if the board agrees with the joint decision of the disciplinary and show commission.

## G.2 – Fine

Besides disciplinary sanctions a fine may be imposed in case of a violation of the rules.

## G.3 – Hierarchy of responsibilities

The person held responsible first is the Show Manager, then the organizing club, the co-organizer and then the judges.

## G.4 – Complaints

Complaints concerning the breaking of show rules must be heard by the show commission too.

## G.5 – Violations of the show rules or repeated disregard for instructions and/or requirements by the Show Commission

In the event of violations of the show rules or similar, the Show Commission, in conjunction with the Board, may require a WCF-affiliated club to accept the presence of a supervisor for a period of up to two (2) shows.

The supervisor shall assist the member in adhering to the applicable show rules and oversee the conduct of the show. Once the specified period has elapsed, this measure shall automatically terminate, provided that no further violations have occurred.

## G.6– Publishing of show rules on club-websites

All members may only publish the complete show rules. Publishing extracts only is not permitted.
WCF proposes to set a link to the official website of WCF.
